

- It depends what book or magazine and what it is about
- ABSOLUTELY!!! I have been reading since I was two. It's just a way for me to get away from the outside world that my parents like (unlike video games(:).
- no i do not like to read because it is very boring
- I love to read. It's one of my favorite things to do. Mostly I like to read fiction or mythology but I like to read about some nonfiction things such as medieval times.
- yes, i do like to read but it matters on the book. i like to red mysteries and teenager stuff like that. ;]
- Yes. I like to read Greek mythical books and science fiction. Whoever thought of making books is really really smart.
- Yes. I love reading, espiciall when I have a good book. I get in a little troube because of it. I love fiction books and realistic fiction.
- It depends if I like the book or not. If i do not then I hate reading. If I like the book then I can not put the book down.
- s i like to read books about history(mostly slavery or war) yes i like reading books in my interest
- love it it has a good varity of books.alot of books in my liking.
- Sometimes, normally when i'm bored and have nothing to do.
- I love to read. My favorite author is Sharron Creech. My all time favorite book is Ruby Holler.
- No ive never had good expiriances with books.

- I hate it..
- Not really, I do like to read comic books and magazines, Game Informer, and XBOX magazine.
- I like to read occasionally. I am very picky about the books that i read. They have to be interesting. If I find a good book, I read a lot. If I can't find a good book, I usually dont read.
- I do like to read. I like it but it is hard for me to find a good book to read some times. I also don't always have a lot of time to read because of homework and school work.
- Not really. I can never find a book that is good and that isn't confusing to me. once I find a good book though, I'll read it everyday before i go to bed. I sometimes don't like to read because the books either take to long to read or they don't have a beginning that interests me.
- reading is not my favorite thing to do acedemically but i have no problem doing it when needed.however i am a typically slow reader,i believe i am more gifted in the mathmatic area.
- I personally don't like to read at all. for me there are many other important things to do with my time. I do if it is for a project or my teacher says i have to but in my freetime i wouldn't read at all. For me I like to spend my freetime out doors or doing something constructive.
- Yes i love to read but i have to get the right book.
- YES!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
- It depends on what kind of story. I like adventure. I enjoy horror. If the first couple of pages have not action, I wait a couple of days before I start reading it again.

- Yes I do, because it just lets me wander off into their world whenever I'm having a bad day, and it gives a bit of variety as to whether I like it or not.
- I like to read mostly science-fiction books or just fiction books-
- Yes in fact i love the Harry Potter series and the Percy Jackson series
- I love to read. It's kind of funny, because when my mom tells me to go to bed, I'll stay up and read in bed for at least an hour.
